International Conference on Mechatronics

ILMENAU, GERMANY, 18-20 MARCH 2019

Honorary Co-Chairs

Kouhei Ohnishi (Japan)
Luís Gomes (Portugal)
John Y. Hung (USA)

General Co-Chairs

Valentin Ivanov (Germany)
Yasutaka Fujimoto (Japan)

Technical Program Co-Chairs

Antonella Ferrara (Italy)
Michael Ruderman (Norway)
Hiroshi Fujimoto (Japan)

Special Session Co-Chairs

Marcel Heertjes (Netherlands)
Toshiaki Tsuji (Japan)

Finance Chair

Klaus Augsburg (Germany)

Publication Co-Chairs

Kenta Seki (Japan)
Vincenzo Ricciardi (Germany)

Publicity Co-Chairs

Seiichiro Katsura (Japan)
Johann Reger (Germany)

International Advisory Board

Phil Barber (UK)
Makoto Iwasaki (Japan)
Kiyoshi Ohishi (Japan)
Herman Van der Auweraer (Belgium)
Junmin Wang (USA)

Technical Program Committee

Vladimir Vantsevich (USA)
Ansgar Trächtler (Germany)
Barys Shyrokau (Netherlands)
Tomoyuki Shimono (Japan)
Oliver Sawodny (Germany)
Kenji Natori (Japan)

CALL FOR PAPERS

IEEE ICM 2019 continues a series of biennial conferences dedicated to recent and prospective developments in various field of mechatronics. The conference is organized under patronage of IEEE Industrial Electronics Society and will be held at Technische Universität Ilmenau, Ilmenau, Germany, during March 18-20, 2019.

TECHNICAL TOPICS

IEEE International Conference on Mechatronics 2019 is organized under motto "***Mechatronics for Cross-disciplinary Research***". The main conference topics include:

- Advanced Motion Control
- Sensors / Actuators
- Micro and Nano Mechatronics
- Robotics and Biomechatronics
- Intelligent Control and AI in Mechatronics
- Mechatronics Education

The targeted application fields cover:

- Ambient Assisted Living
- Personalized and Automated Transportation, Electric Vehicles
- Intelligent Manufacturing
- Energy Systems
- Cyber-Physical Systems
- Medical Systems and Bioengineering

The conference is not limited by the mentioned topics and application areas and invites researchers, engineers and practitioners to present their high-quality papers and presentations in various mechatronics-related subjects.

AWARDS

The best conference papers will be awarded.

Best Regular Paper Awards: 1st Place – 1500 €; 2nd Place – 900 €; 3rd Place – 600 €

Best Student Paper Awards: 1st Place – 500 €; 2nd Place – 300 €; 3rd Place – 200 €

IMPORTANT DATES

15.09.2018: Deadline for Submission of Special Session Proposals

30.10.2018: Deadline for Full Paper Submission

15.12.2018: Notification of Acceptance

31.01.2019: Deadline for Final Manuscript Submission
